What is the Family Christmas Fest

NordCham Philippines is organizing its annual Family Christmas Fest on **December 15, 2019 at the Atrium of Enderun Colleges from 11:00 AM – 3:00 PM**. This is a festive and casual, family-oriented event where anyone is invited to celebrate Christmas in a true Nordic fashion.

The Family Christmas Fest gathers 150-200 guests. The party starts with Glögg (Nordic mulled wine) and a Lucia Procession, a tradition that dates back centuries. With many activities and surprises to await such as a Father Santa appearance, a Christmas buffet with traditional Christmas delicatessen from all Nordic countries, and many more!
