NORDCHAM PHILIPPINES

Dear Madam, Sir,

NordCham Philippines in partnership with CanCham is organizing the CanCham-NordCham Speed Networking Night, which will take place on August 9, 2018 at the Dusit Thani Manila from 6:00 PM – 9:00 PM.

Mingle and expand your network with the members and guests of both Chambers with the added fun of a 3 minute timed countdown between each group to ensure you meet everyone. There will also be a fun game at the end of the night to see how much you remember about the people you have met.

Not your typical networking night and is worth your while if you are looking to increase your company's awareness.

In line with this, it is my pleasure to invite you to be a sponsor for this event. Attached is the sponsorship package and contract.

Should you have any questions or would like to discuss more opportunities, please contact our Events and Marketing Specialist Mr. Georges Pattinson at +63 977 099 8952 or email [georges.pattinson@nordcham.com.ph](mailto:georges.pattinson@nordcham.com.ph)

I look forward to your participation at the CanCham-NordCham Speed Networking Night.

Yours Sincerely,

Bo Lundqvist  
President  
NordCham Philippines
